Financial Policies

We have several financial policy options available for your convenience in receiving the proper dental care. We have found that our patients appreciate knowing exactly what dental financial responsibilities they will incur. Therefore, we inform our patients about our financial policies before we begin treatment.

❖ **Dental Insurance**

Most insurance companies will not cover 100% of all dental expenses. Your portion, not covered by insurance, is due at the time treatment is performed.

Please understand that dental insurance is a contract between the patient and the insurance carrier, and not between the insurance carrier and the dentist. The patient is still the responsible party regarding dental fees. We will be glad to process your insurance forms at no charge.

Please be aware that we are only capable of approximating your portion due to the large number of insurance companies and to their periodic changes within their contracts without notifying each dental office of these changes.

Payment in full is due when services are performed. Forms of payment accepted:

❖ **Cash or Check**

❖ **Mastercard, VISA, American Express or Discover**

❖ **Care Credit**

We've made arrangements with Care Credit that will finance your dental work with approved credit. No interest payment plans are available. This will allow you to complete your dental work without delay and make relatively small monthly payments. Application forms are available at the reception desk.

❖ **5% Prepayment Bookkeeping Courtesy**

On services over \$100, a 5% reduction will be given when paid in full prior to that appointment date. A refund will be made if the proposed treatment is not completed.

❖ **Senior Citizen Courtesy**

For our patients 65 years or older, we offer a 5% fee reduction. On services over \$100, an additional 5% reduction will be given if paid prior to your appointment date.

❖ **Gradual Treatment Plan**

If it will be easier financially for those patients without dental insurance, we can plan the completion of your dental work by spreading your appointments over several months or years. We will arrange to do the more urgent services at the beginning of treatment.

Cancellation policy:

A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. We require **48 hour notice** for any cancelled or rescheduled appointments. This allows us to offer the time saved for you to another patient. A fee of **\$50.00** will be charged for any cancelled appointments with less than 48 hour notice.
